**HOMELESS AND HELPLESS**

Mrs. Agnes Mannion and Her Children Aided by Agent Parker

Mrs. Agnes Mannion and her two children, Winnie, aged six years, and

**Willie, aged four** years, were turned out of their home last night on

account of being in arrears for rent. They lived on the second floor of 36 West Preston street.

A few days ago they were notified by their landlord that they would have to leave the house unless the rent was paid without delay. Wm. Mannion, the husband, who is a stonemason, was out of work and he was unable to raise money for the rent. After dark yesterday, a constable appeared at the house in the absence of Mr. Mannion and turned into the street Mrs. Mannion and her children with the small amount of furniture they own.

The house is a frame building elevated a few feet from the street. Having no place to go, Mrs. Mannion took her children and her few belongings under the house, where she and her children tried to keep warm by covering themselves with rags.

Mrs. Henrietta Livingston, who lives on the first floor of the house, saw the distressed condition of her neighbors, so she went to the central police station and informed Lieutenant Rowe, He informed Agent Parker, of the Society of the Protection of Children, and the patrol wagon was sent to remove the unfortunate people to a temporary asylum.

When the patrol wagon arrived at the house it was surrounded by a crowd of hysterical women, who were trying to minister to Mrs. Mannion and her children. At first, Mrs. Mannion refused to leave the place, saying her husband would call for her in a short time. When it was explained that she would not be taken to a police station she readily assented to go to the home of Mr. Parker for the night.

She said her husband has not been at work for several weeks, but they had managed to get along until their rent amounted to \$5. They could not pay that amount, and were turned into the street in consequence. Mrs. Mannion also said she has relatives living in Baltimore, but does not know where they can be found. She is in a delicate condition.

Mr. Parker will care for the family until some permanent relief can be obtained. If it is desired, the children will be placed in some institution.<sup>7</sup>
